Re: South Central Telcom, LLC v. Windstream Kentucky East, Inc.
Petition for Confidentiality received 5/6/08 PSC Case No. 2008-00126

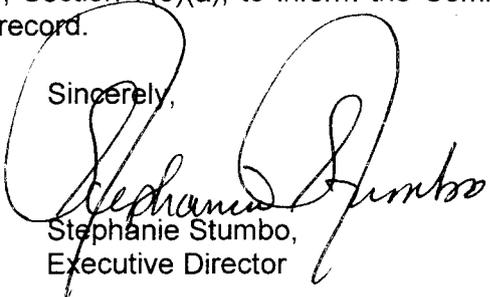

Dear Mr. Selert:

The Public Service Commission has received South Central Telcom, LLC's Petition for confidential treatment requesting to protect as confidential certain information contained in its Complaint and Amended Complaint regarding the above referenced matter. This information is described as specific billing information contained in its Complaint and Amended Complaint in paragraphs 25 through 28, 30, 34, 53, and routing and account information contained in Exhibit 5, as well as specific billing information contained in Exhibit 6, and bills attached as Exhibits 3 and 4.

Based upon a review of the information, I have determined that it is entitled to the protection requested on the grounds relied upon in the Petition and should be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, South Central Telecom is required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo,
Executive Director
